A STYLISH RIG

Is as easy to have and as inexpensive to buy as one that is several years behind the times, if you buy of us. We make a study of styles and prices; we know how to buy, where to buy, and by buying in large quantities for spot cash we get rock bottom prices and the lowest freight rates. These are reasons—and good reasons, too—why we can save you money on vehicles and harness, and sell you the best goods at what others would have to charge you for inferior grades. We sell all kinds of horse furnishings.

HARDWARE

Is our stand-by. We carry a large stock of fine locks, knobs, and all the numerous articles that go to trim properly the doors and windows of modern houses. We take contracts for the hardware complete for trimming public buildings, hotels, blocks and fine residences, insuring a harmonious scheme of selected designs throughout at the lowest possible prices. Our

PAINT, OIL AND VARNISH DEPT.

Contains all the staples and most of the specialties in the paint and varnish line. If you can't find what you want in this line at our store, you won't find it in the city.

RUBEROID

Is the name of a roofing that is not subject to rust or corrosion; that successfully resists acids and alkalies, smoke, gases, fire, intense heat and unequal and varying temperature; that is weather-proof and water-proof. It is easy to lay. Write us for samples and prices.

ALBANY STEAM TRAP

Class "A" Return Trap

Class "D" High Pressure Non-Return Trap

Four styles are made by this company, for all duties. Class "A" is a return trap for returning the condensation in heating systems to a boiler without the use of a pump or any other mechanical device, and if used to return the water to a boiler under pressure from a steam system, it will do all that can be done by the so called Steam Loop at far less expense. Classes "B" and "D" are non-return Traps designed for very high pressures and have been used with great success in many steamplants. Class "C" is a non-return Trap for pressures under 100 pounds.

These Traps are the result of over THIRTY YEARS' practical experience directly in this line.

All joints are scraped and fitted metal to metal, no elastic packing of any kind being used in their construction. We will gladly send them to any responsible person on thirty days' trial.

Send for special circulars of Classes A, B, C and D Traps, and learn how quickly the valves and their seats can be renewed at a very slight expense, practically making the Trap as good as a new one.

We also carry a stock of Steam Pumps both duplex and single acting.

We Want Young Men!

Largest Independent Typewriter Company in the World Seeks Young Men of Ability

This talk is addressed to young men.

If you are built of the right timber, you can earn handsome incomes representing the Oliver typewriter.

Some of our Salesmen earn thousands—it all depends on the **MAN!**

There is a bright future for you in this great organization, if you seize the opportunity **now.**

—A chance to get to the front.

—To build up a business for yourself.

—To become financially independent.

It doesn't require a "pull" to get into this business.

But it **does** require a clean record, native ability and a willingness to buckle down to earnest work.

The Oliver Organization is a body of picked men—trained in the Oliver School of Practical Salesmanship.

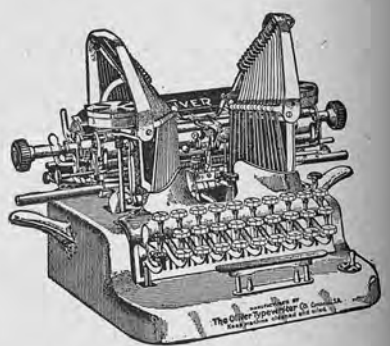

We will give you a course in this School—tuition free and all expenses paid—if you succeed in coming with us.

Our Sales Force receives the loyal support of the General Office at all times. We back our men with extensive newspaper and magazine advertising, pay the most liberal salaries in the business, and recognize good work by prompt promotion.

And how they work—these Oliver Salesmen!

What keen delight they take in smashing all selling records! Their enthusiasm is resistless—sweeping all obstacles before it.

They **believe** in the Oliver Typewriter, and well they may, for it leads all other writing machines in durability, in speed capacity, in accuracy, in universal adaptation to all requirements.

The unparalleled success of the Oliver is due to this invincible combination:

—A Perfect Visible Writing Machine

—A Peerless Sales Organization

—The liberal, aggressive business policy of a broad-gauge Management.

Do you realize that the largest independent typewriter concern in the world is offering YOU a handsome income?

What are you going to do about it?

The best thing is to get a letter to us by first mail, for full particulars.

We Want Young Men!

Largest Independent Typewriter Company in the World Seeks Young Men of Ability

This talk is addressed to young men.

If you are built of the right timber, you can earn handsome incomes representing the Oliver typewriter.

Some of our Salesmen earn thousands—it all depends on the **MAN!**

There is a bright future for you in this great organization, if you seize the opportunity **now.**

—A chance to get to the front.

—To build up a business for yourself.

—To become financially independent.

It doesn't require a "pull" to get into this business.

But it **does** require a clean record, native ability and a willingness to buckle down to earnest work.

The Oliver Organization is a body of picked men—trained in the Oliver School of Practical Salesmanship.

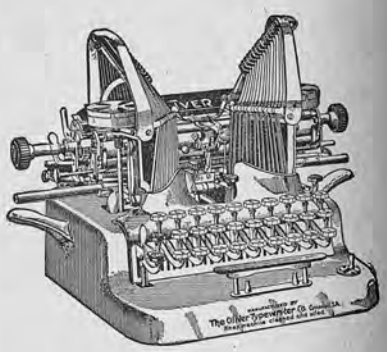

We will give you a course in this School—tuition free and all expenses paid—if you succeed in coming with us.

Our Sales Force receives the loyal support of the General Office at all times. We back our men with extensive newspaper and magazine advertising, pay the most liberal salaries in the business, and recognize good work by prompt promotion.

And how they work—these Oliver Salesmen!

What keen delight they take in smashing all selling records! Their enthusiasm is resistless—sweeping all obstacles before it.

They **believe** in the Oliver Typewriter, and well they may, for it leads all other writing machines in durability, in speed capacity, in accuracy, in universal adaptation to all requirements.

The unparalleled success of the Oliver is due to this invincible combination:

—A Perfect Visible Writing Machine

—A Peerless Sales Organization

—The liberal, aggressive business policy of a broad-gauge Management.

Do you realize that the largest independent typewriter concern in the world is offering YOU a handsome income?

What are you going to do about it?

The best thing is to get a letter to us by first mail, for full particulars.

PREPARE FOR SUCCESS

BY LEARNING PRACTICAL THINGS AT

Rutland Business College

We teach the wonderful light line Gregg System of Shorthand. It is used by more public and private schools than Graham, Pitman and Munson combined. Why not investigate ?

We are pioneers in Touch Typewriting and the only real touch school in Vermont. Call and see how it is done. Don't forget that we teach simple, sensible, slant writing—just what business men want. Send for catalogue.

TABARD INN LIBRARY

Do you like to read the **new books of Fiction?** By joining the TABARD INN LIBRARY you can get the book you want when you want it long before it is obtainable elsewhere. It costs you $1.18 to buy the first book and the ownership of one book makes you a member. None of the books are soiled or damaged, as every one is cased and they circulate among a class of people who take care of a book.

This book and case is the only identification required to use the service throughout the world. There are thousands of stations all over the United States, Canada and Great Britain. Once you own a book it is your own property, but you can exchange it for another as often as you like for five cents, **no matter how long it has been out.** No fines or dues; no rules or red tape. Come in and let us explain it fully.
